## RE-ALIGNED TO THE KINGDOM

(Mk 4:10-25)

One of the things that Jesus Christ kept talking about was how to re-align ourselves to God's Kingdom. He emphasized that we should seek first the Kingdom of God and the way things are done there.

This would open doors for us to receive all that we need here on earth. We indeed must pray that God's Kingdom come and His will be done on earth as it is done in heaven.

We must know the following:

1. Kingdom priorities (Mk 4:10-14)
2. Kingdom opportunities (Mk 4:20-25)
3. Kingdom outcomes (Mk 4:26-32)

To understand these lessons will help us not to go in circles, but progress from one degree to another. The Kingdom of God should be our environment of success and greatness.

We must fully understand how this Kingdom works for our own good and the good of the purposes of God on earth.

Arise and shine.
