## WALKING IN DIVINE WISDOM

(Psa. 119:105)

**W**alking in divine wisdom is like walking on a well-lit street or path. The opposite of wisdom is foolishness. Walking in foolishness is like walking on a street in pitch darkness. The word of God is divine light

The Psalmist said, "Your word is a lamp for my feet, a light on my path" (Psa. 119:105). God has a word of counsel and direction for every situation.

Divine Wisdom:

- 1.Is solution providing
- 2.Is Direction Giving
- 3.Is Fruit Bearing
- 4.Is Empowering
- 5.Is Revealing.

Walking in divine wisdom and counsel is a choice. A word of wisdom on career, marriage, parenting, finances, investments, relocation, travel, relationships, healing etc is ready. The next step of your life is as clear as daylight to God (Joshua 1:3).

A decision without God's counsel leads to confusion and destruction. Take a moment in prayer, turn to God and listen to His word. You will hear the Holy Spirit say, 'this is the way, walk ye in it'. There is no problem that God cannot solve (Math. 19:26).

Arise and shine.
