One way to spot God's people in the society is through churches. Over the years, the body of Christ has been identified through the habitual congregating of God's people under the umbrella of the church.

The church is established upon the Rock who is Jesus Christ. Therefore, the church represents the redeemed of the Lord. These are those whom Jesus "redeemed in order that the blessing given to Abraham might come to them, so that they would receive the promise of the Spirit through faith." (Gal. 3:14).

As God's people congregate in unity under the umbrella of the church, God commands His blessed promises among them. He fulfils His promises of abundant grace and provision in their midst because where two or three gather in His name, He is present with them. (Ps. 133 and Mat. 18:20).

It is therefore important for every believer to belong and fully identify themselves with a local church because in the church:

- 1. The promises of God's Word are proclaimed**
- 2. The blessing of fellowship is experienced**
- 3. The gift of salvation is celebrated through the breaking of bread**
- 4. Prayers of unity are made and covenant provisions realized.**

Christ is passionate about the church, and the church is where you should belong in order to experience the Covenant provision manifested through God's blessed promises.

I therefore invite you to Parklands Baptist Church; come and belong where we are arising and shining for God's glory is manifest in and through His Church.
