God uses ordinary people to accomplish great things in His kingdom. He raised an ordinary man called Abraham and his wife Sarah to become parents of nations (Gen 17: 1-6). He made them people of influence.

A rich harvest is waiting to be reaped. Jesus said the harvest is plenty but the labourers are few (Matt 9: 37 -38). He spoke a word of harvest to the fishermen who had caught nothing all night and when they obeyed His word, they brought in a great harvest. (Luke 5: 1-6).

Principle of Harvesting

- 1. Develop a Vision for the Harvest.**
- 2. Write Down a Strategy for Reaching the Harvest.**
- 3. Invest Time, Energy and Resources in bringing in the Harvest.**
- 4. Follow through with the Harvest.**
- 5. Give God the Glory.**

Jesus was an excellent harvester. He had a clear vision of the harvest. He became a human being in order to reach the harvest. He laid down His all for the harvest. His spirit is today alive and present in the harvest.

Believe God for a big harvest in your life this month.
