Arise and Shine - Isaiah 60:1

2017: The Year of The Lord's Covenant Blessings

November 19, 2017

Pastors Word

CHILDREN TAUGHT THE WORD

(Deut. 11:18-21)

Teaching children the word of God is essential if we want them to love God, live a godly life and enter into God's kingdom.

Faith comes by hearing the word of God. When it is believed it results in transformed lives.

Children are trained by the word of God. We must be deliberate in doing this.

1. Church has a role to play - Mk 10:13-16
2. Parents have a responsibility to train - Prov. 22:6
3. Society has a benefit to receive - Psa. 78:6

The church has to bring children to Jesus through teaching them the word. Parents' greatest investment into their children is to love their children by teaching them the principles of God's word.

The society is blessed when children who grow up under the anointing of God's word become transformational leaders. The nation then that fears the Lord is exalted.

May our children arise and shine.
