We have no idea the kind of inheritance that is ours in Christ. It is my prayer, in this season of divine overflow, that God will unveil to you the riches of His glory in Christ which was deposited for you through the Holy Spirit.

You are an heir of God and a joint-heir with Christ Jesus. You were created and designed to enjoy inheritance in Christ. Here are four areas that you must believe and receive and experience.

In this season of divine overflow may the river of God flow towards you, in you and through you.

You are special to the Living God. Favor is your portion. You are destined for greatness in God's refreshing promises. May you take hold of God's blessing today.

Arise and shine.
Rev. Ambrose Nyangao
